What we do

Integrity1 is an established Queensland based company operating on a national scale with over 15 years experience in delivering quality solutions within the security and property industries. At Integrity1 we specialise in the design, installation and maintenance of integrated security systems for retail, construction, commercial and residential applications. We provide the following services...

- Consultancy to create tailored security strategies
- CCTV design, installation, operation and instruction
- 24 hour alarm system monitoring
- Integrated remote monitoring systems
- Electronic access control
- Mobile patrols and key holding service
- Static security officers and retail loss prevention services
- Front of office security, manned reception, access control, cash room
- Concierge service with experienced customer satisfaction focus

Our Philosophy

At Integrity1 we aim not only to contain risk effectively but to do so with integrity. Our integrity means that we will not promise what we cannot deliver and we will always deliver what we promise.

Our Projects

We are experienced in tailoring security and property facilities solutions to 1000's of satisfied customers including Jones Lang La Salle, Frank Knight, AMP, CB Richard Ellis, Mirvac, McDonalds, CBA, Suncorp and many more.

Our Equipment

Integrity1 can design a system specific to your individual needs using the industries most trusted components such as Avigilon, Mobitex, Inner Range – Concept, Challenger, Genesis, Honeywell, Hills, Bosch, Nuuo, Dedicated Micros, Pelco and Videofied, just to name a few.

Integrity1 is a proud member of the National Security Association of Australia.

Our People

Integrity1 is committed to recruiting the highest caliber of candidate. To this end we recruit for attitude firstly and then for competence . All necessary reference checks are undertaken and licenses are sighted and verified. Our team are trained in all aspects of security operations and we maintain a keen focus on work place health and safety as well as customer satisfaction training. We are an equal opportunity employer and believe that ongoing training will not only benefit our Team, but also our customers as well as the company itself. We are also proud of our apprentice technician training program.

Our Quality

At Integrity1 we believe in the delivery of best practice strategies for security management. Integrity1 takes a proactive approach towards ensuring quality in our service delivery through constant self assessment and performance measurement. This allows us to identify trends and rectify issues before they occur, or promptly deal with issues when they do occur.

The directors of Integrity1 are contactable 24/7 because our commitment to our clients is a 24/7 commitment.

Our Insurance

Integrity1 holds a Public Liability Policy to the value of ten million dollars (A\$10,000,000)

Integrity1 is covered under Work Cover Policy

Our Environment

Integrity1 is committed to complying with environmental laws and regulations applicable to our facilities and we operate in a manner that conserves and sustains natural resources and protects the environment.
